

# Teaching and Learning

- ① Definition of MBTL → to have shared vision
- should be seen in the classroom
  - should be created based on evidence
  - should be created collaboratively

- ② Focus both on what/how to teach AND the way students learn

- content (LOs)
- methods
- strategies
- assessment

- students' needs & wants
- reflection and feedback
- student-centered learning

- ! time-consuming, shared vision and understanding
- Change resistance, ensure safe & trusting atmosphere, Reflection
